24. Description of Change: (use additional Sheets if necessary) By renaming the 'clearmake' executable and changing it's permission to read only file will in effect prevent a user from running ClearCase build on a specific machine. This is being done to enforce the CM policy of running build on prescribed CM build machines only.						
25. Proposed Solution: (use additional sheets if necessary) Rename the 'clearmake' executable and change it's file permission to 'read' only file.						
26. Alternate Solution: (use additional sheets if necessary) N/A						
27. Consequences if Change(s) are not approved: (use additional sheets if necessary) Users will continue using non-CM build machines to build their code which in effect will cause possible risk taking of software incompatibilities and environment discrepancies.						
28. Justification for Emergency (If Block 15 is "Emergency"):
